What is a StarID?

The StarID is a username that replaces many login IDs with **one ID, one password, everywhere**.

You only need one StarID: you can use the same StarID across Minnesota State to log into many services like email, D2L Brightspace, and more. Change your password in one place — starid.mnscu.edu — and it changes everywhere.

3. Click on “I know my email address”

StarID Identity and Access Management
MINNESOTA STATE COLLEGES AND UNIVERSITIES

What is my StarID?

Select one of the options below if you don't know your StarID.

+ I know my Tech ID (8 digit student ID)

+ I know my email address

+ I have a verification code

+ I have my library card

+ I know my State employee number (8 digits)

[Return to Self Service signin.](#)

4. Type in email address. This is typically your Spectrum email

Reset my StarID Password

Select one of the options below to reset your password if you've forgotten it, or if you are just having trouble signing in.

+ I know my Tech ID (8 digit student ID)

- I know my email address

Enter an email address associated with your StarID account. We will send a verification code you can use to authenticate in the next step.
